Freedom of Information Act officer
Central Intelligence Agency
Langley, Va.

Dear [REDACTED]

This letter serves as a formal request under the Freedom of Information Act, on behalf of our reporter Allan Frank, for various files, dossiers, records, tapes, photographs and other documents the Central Intelligence Agency may possess about the following subjects:

1. The relationship between the CIA and the Fairfax County police, including specific information about exchanges of credentials, other identification, equipment, personnel support or any other assistance to or from the police, formally or informally. We would like to examine the records pertaining to reasons for requesting credentials from the county police and the areas of the county in which they might have been used, whether the credentials actually were used or not.
2. The relationship between the Fairfax City police and the CIA, especially the office of security /at CIA/. Any records pertaining to the break-in at the Roland Studios and any information about the inhabitants of that studio. Any Operation Chaos files or records, or records in other sections of the agency which relate to CIA activities in the metropolitan area of Washington, including surveillance, mail cover, and electronic interception of communications.
3. A detailed list of equipment and other assistance supplied to the Metropolitan Washington police department and any other police department in the United States.
4. Any files relating to training of local and state police department personnel by the CIA or its proprietaries.
5. A list of all cities where the CIA maintains offices in the United States.
6. Any records about co-operation between police and the CIA in these cities, for personnel checks, exchange of information
